bit.ly/BIMI-BlairSackett

Through the lived experiences of families resettled from the Democratic Republic of the Congo, Blair Sackett and Annette Lareau reveal how a daunting obstacle course of agencies and services can drastically alter refugees' experiences building a new life in America. Engaging and eye-opening, *We Thought It Would Be Heaven* brings readers into the daily lives of Congolese refugees and offers guidance for how activists, workers, and policymakers can help refugee families thrive.
